It was a privilege to have had Linda as our friend for over thirty-five years. Her smile, laugh and sense of humor along with her compassion and supportive nature will forever be ingrained in our memories. We were so happy to have had the chance to celebrate her last Birthday just weeks ago. The family knows how we will miss her and send our love and support to them all.

So very sorry to read of Linda's passing...you do not know me but Linda had just found me on facebook about a year ago, and we exchanged some great memories from our childhood, as we were very good friends in our pre teen days growing up in Brampton, and even after we both moved we would visit in the summertime. We had lost track of each other many years ago, however in a message she sent me, she talked so lovingly about her husband and children. We were hoping to meet up again, but unfortunately that is not to be. Wishing you peace and comfort in the days to come. With deepest sympathy
