Messages of Condolence

Hi Randy, Susanne and Percy,

It's Bill from Portage. We had some good times when we all lived on 1st Street when we were kids. Mom and I were saddened to read of your Dad's death in the paper. Our thoughts and prayers are with you. It is hard to believe both your parents are gone now.

I still remember how your mom used to tell us there was an invisible skeleton hanging on the wall of that storage room in the basement and had us all scared to go near that room. By the way your house (castle house) as I always thought of it was torn down a few years ago and new apartment block has been built there.

Take care,

Bill and Alma
