Raymond Joseph Medard Deneault

JUNE 21, 2022

Dear Raymond, we all love you so

Because you are so fine

We want to let you know

We send this Valentine

Michelle, your special lady

She loves you most of all

We hope the time with us three girls

You often will recall

Raymond, we'll always love you

Because you are so kind

And thoughts of time we've spent with

Are always in each mind

And we hope in the future

That we'll do all we can

To let you know to each of us

You are a special man.

You came into my life at a young age. You were a father, a mentor and a friend.

We send our love and condolences to Michelle and family. We have only known Ray and Michelle for a short time but we saw the love and caring chemistry between them. We heard some wonderful stories of some of their adventures they experienced together. May these memories help you through the rest of your life Michelle.
