I enjoyed getting to know Margaret and running with her for many years before we moved. She was always a ray of sunshine - she will live on in our memories for how special she made each and every one of us feel. Our condolences to her family

Margaret's parents and my parents emigrated from Holland together in 1952. I have many happy memories of times spent at Christmas, New year and other family gatherings with the Jansens. Margaret was a kind and gentle person. I was especially touched at the few moments we were able to talk at my father's celebration of life seven years ago. Thank you Margaret for your kindness. Ted I pray God's peace for you as you mourn your great loss.

— Ron Vonk

I deeply cherish my memories of Margaret. She was loved by so many and always had so much love to give. It was an honour to call her "my friend" and she will be forever missed. My condolences to all her family and friends.
