Messages of Condolence

I was so sorry to hear of Darlene's passing. I'm not sure if you remember me or not but I am Bill Corbett's son and for a time while working in Sydney I lived with Dr. Bert. You certainly have had more than your share of loss and I can only imagine the grief you must be feeling at this very difficult time. Please know we will keep you and your family in our thoughts and prayers and on behalf of all my family please accept our deepest condolences.
