We purchased a new car from Art back in 1983. He later became a friend. I know his family and friends will miss him for a very long time, some forever.

Sometimes special people come along. Art was one of those people. He had a gentle spirit, a warm heart and he lived with great dignity as a fine gentleman. He was a loving, giving person and he graced our lives with his presence.

Our tears are full as we think of him, and we will always miss him.

Our thoughts and prayers go out to his family in this time .
