We wish to send our deepest condolences as you say goodbye to my beloved uncle Wayne. He had an infectious love of life that I will never forget. He was also so helpful when my own husband, Steve started work in the oil industry, always showing interest in his latest projects. We were so happy to introduce him to our little girl Hope who took to Wayne right away....simply put -he was the definition of a 'people person' and an amazing person himself. To Lorna, Ron, Michelle, Sydney and KaeAnna, we are sending our biggest hugs to you from Nova Scotia. I know Wayne has now found peace and is watching over you all as he moves forward to his biggest journey yet. Shannon & Steve. xox

Dear Lorna and family, I was so sorry to hear about Wayne. Terry & Yvette Gallant came to our place last year after their visit with you in PEI. Terry was hopeful that Wayne was putting up a good fight and would win. So sad.
I have such fond memories of all the time that I worked with Wayne when I first came to Alberta. He was such a mentor to me and became such a good friend. I will never forgot the time I spent with Wayne and also meeting you Lorna, and Cathy .
Please accept my deepest condolences at this difficult time.

Dear Lorna and family
We have known Wayne for a few short years and shared with him at 'The Cove' in projects at our cottages. He was a great neighbor and a helpful friend. He will be missed as Minister of Highways and a person with great ideas in our community. our prayers and deepest sympathies go with each of you as you adjust to life without his presence in your circle.
