Allen and family: We were so very sorry to hear Donna had passed. I had the pleasure of working with Donna at Northgate Mall, RBC, way back in Aug. 1975. It was my second posting in the Bank, and that was such a busy place it was chaos much of the time. Donna managed a group of gals that followed her lead and worked very hard, while still maintaining a sense of humour and having a lot of fun. Donna was a great leader of the group and she treated me (a very green young banker) very well, helping me tremendously while I was there. Donna will be missed by all who had the great pleasure of working with her, we are all better off for having had the chance to know her. Deepest regrets.

Donna's smile will always be remembered, she was a beautiful, fun person. Gary worked with Donna at Northgate; customers, especially at the Royal bank senior centre absolutely loved her, Donna was a joy to work with and visit with. We are so sorry Allen.

Our condolences Allan to you and your family. Donna was a great friend and neighbour. We spent a lot of time with you both. The coffee was always on for us as soon as we entered your yard. We really missed seeing you both when we moved to Regina. Our thoughts are with you at this time.

Allan, we are so sorry for your loss. Donna was an amazing person. You guys were such great neighbours and friends to mom and dad. They still talk about it to this day how you guys would drop everything to help out them or anyone. The older everyone gets, you know that good neighbours and friends are so hard to come by. Our deepest sympathies to you.
