Messages of Condolence

Mom I thought of you today; but that is nothing new. I thought of you yesterday and in all the days before that too. I think of you in silent reflection, but I often speak your name. All I have left are my memories and your picture in a frame. God has you in his arms now. But I will always have you in my heart.

— **Kelly Armstrong**

Mom along with her three children, was also held near and dear by her three Grandchildren and five Great Grandchildren, she is lovingly missed by her sister Gail. She is survived by brother Ken, sisters in-law and many nieces and nephews. May she rest in peace

— **Susan**
