Darla, Keith and Gord I am completely at a loss in finding out about Donna's passing. Growing up next door she was almost like having a second mother. One of my highlights bringing my son to Canada over the summer was to spend some time visiting with her and her telling my son all the stories about when I was a kid. She was one of a kind and Sneddon St will never be the same without her. Our Heartfelt Condolences Brent, RJ and Brie
