## Messages of Condolence

Leona, Garth, Carl and families - Our thoughts and prayers are with all of you during this difficult period. I will always remember Gary as a the father at the rink who was there for the right reasons. Gary didn't care the outcome of the game as it was the effort put forward and fun had by all that really mattered. Gary applied this belief to all aspects of life. During this time of greiveing remember your family, friends and community will help share the burden so please do not hesitate to lean on all of them. Gary will be missed by all but lives forever through his children and grandchildren.
