Dustin, Thank you for coming by the house and letting us know of your Dad's passing. I know this must be a difficult time for you and Cary. If you need anything or would like to come again for coffee and a chat please call on us. Some of my fondest memories took place with your Dad. He always had a big smile, a hearty laugh, and always was offering his home for friends. He will be dearly missed.

I was very sad to hear Darcy passed on. I was very fortunate to have worked with Darcy at Pronghorn. He was always such a great guy to be around and visit with. We kept in touch after he left & went up north to work. I will miss his jokes and friendly messages. My prayers are with all of the family, may your happy memories help you thru this sad time.
