## Messages of Condolence

Hi Ellie, I just wanted you to know that I am thinking of you at this time of your loss. I really got to know your mother and enjoyed talking to her at night when I would give her, her bedtime meds. She would always ask me...What do you want? I would sit down and say I just want to say hi and she would give me the biggest smile and pat my hand. It was very nice to meet you and your hubby and I wish you well in the future!!! Take care and know she is with your dad where she wants to be....Kim
