Messages of Condolence

To Lanny, Ryan, Whitney and Megan,

I was so grateful to be a part of your sorrow this last week. "We are not as those who have no hope," The Apostle Paul wrote. You know your dad and granddad is with Jesus, and you are comforted in knowing that. But you'll also miss him. I pray for God's presence, comfort and strength in your loss.

Hugs,

Sandi Somers

To Sue and Family,

I had the privilege of knowing Randy for several years when we worked together at the RCMP Detachment in Grande Cache. I can say, without reservation, that he was one of the finest men that I had the good fortune to work with during my career. A knowledgeable, conscientious, no nonsense man with evident sound family and community values. May he rest in peace and may Sue and his family receive the support and blessings to cope with the loss of a good man, husband and father.

Frank Dolan,

Charlottetown, PEI.

— **Frank DOLAN**

Sue and family, my deepest and sincerest condolences on the passing of Randy. Many fond memories are with me right now as I remember our times together in Grande Cache working together and as neighbours. My prayers are with you.

So sorry to hear of Randy's passing. I had the privilege of working with Randy at Sylvan Lake Detachment. He was a great member to work with. My best memories are that he wrote everything in green ink, and always asked anyone he brought into cells if they were from Cape Breton !! Randy will be missed. Thoughts and prayers from Eric & Kathy Miller

My heart is broken for Sue and family. Randy and I worked together for 8 years in Red Deer. He was more than a colleague, he was a true friend, and he set such a fine example at work and home of how to be the best human being you could be. He will be missed by many.

Hello Sue, sending deepest condolence's from the Wong family. We had a very good time visiting back and forth, while posted at Sylvan Lake. I am sorry I won't be able to attend at the Celebration of Life for Randy, I am working in Northern B.C. Take care and give everyone a hug from the Wong's.

I was saddened by the news of Randy passing. I worked with Randy in Red Deer for a number of years. He always had my back and helped me through some tough times. Randy and his brother did a beautiful paint job on my old 78 Ford F150, back in 1999. I'll always remember that.

Sue, my heart is out to you and your family at this time of great loss.

Sincerest condolences.

Sue, Lanny, Amanda, Mrs. Duncalfe and families.

It has been a difficult time since I learned of Randy's passing. He was one of the finest examples of what a member of the RCMP should aspire to become! He was more than my trainer in Grande Cache in 1981, he was a mentor, a friend, a man who set positive examples in all he did and one of the finest police officers I ever had the extreme pleasure to work alongside!

The countless lessons, snowmobile and atv adventures, a sense of humor that was not matched, the feeling I had as he was the one backing you up in a difficult situation are only a very small amount of the numerous fond memories that have filled my thoughts over the last few days.

The two of you together made the finest of couples and set the best of examples and no doubt were a match made in heaven!

What I have learned from him as an officer and friend, I have never forgotten and will never let go of.

My heart and prayers go out to you, your family and everyone who knew Randy as a friend. He will forever hold a special place in many, many hearts as will you, your daughters and families have a special place in the hearts of all who mourn.

Rest my brother and walk with God as he has welcomed you into his kingdom.

Our most deepest condolences.

Warren and Sheri Pister and family.
