Julie Catherine Duncan

MARCH 3, 2021

It is with great sadness that the family of Julie Catherine Duncan announce her passing on March 3rd, 2021 at the age of 29 in Abbotsford, British Columbia

Julie will be always be lovely remembered by her Father, Terry, her Mother, Patricia, her sister Tara, her brother Garrett, her step mother Elizabeth Odell, and her numerous other family members and friends.

Julie came into our loving family at the age of 7 along with her sister, Tara, aged 5. Together they showed great courage, creativity and a unique appreciation in the beauty of the world around them.

Julie attended school in Calgary, graduating from Henry Wisewood High school in 2010

She was a gracious and gentle soul that cared greatly for the well-being of animals.

Julie expressed herself through drawings, painting and creating unique items for family and those that expressed their desire for one of her truly amazing jewelry or keepsakes.

We will miss her beautiful smile, her joy filled laugh, and her loving personality.

Due to Covid, a small celebration of her life will be broadcast on Facebook live with just a few close friends and family at a physical location. We will announce the time and date in the very near future. For those that wish to sign a guest book or

see her off to a better place, an appointment book will be setup for a private remembrance.

For those that wish, a donation can be made in Julie’s name to Alpha House or any non-profit charity of their choice.

You are invited to leave a personal message of condolenc for the family.

I love you so much Julie, and I miss you more then you will ever know. I wish things were different and sometimes in wish that I could join you. I know you are still some where it there , and I will never ever forget you. You were always there when I needed you the most and now that you're not here it seems I need more then ever. You have always been the only one that could ever make me feel better when there was nothing left to hold on to. I miss you my beautiful sis. Nothing will ever make me forget you. Nothing will ever fill your space in my heart
