## Messages of Condolence

Dear Dupuis family,

Our condolences go out to you all at this very sad time. Dolores was a dear friend as was Earl and I enjoyed many lunches and suppers out with them. I loved the both and will miss them terribly.

Earl and Dolores were special people. Superb humans. I am one of the lucky ones that got to call them friends. Earl would give you these hugs, you knew you were loved. Dolores' smile could light up a room, always a kind word. I know my world was better for knowing them. I will miss them more then I can say. Fuddruckers staff will miss them too.
