We wanted to extend our deepest sympathies to the family. Margaret was family, a friend and living in New Westminster, she was a wonderful neighbour. We think of her often as everytime we drive in and out of New West, we can see her condo high above and are reminded of all the wonderful visits we shared with her over the years. We will miss those times together immensely.

— Evan, Michelle & Harrison Cunningham

Margaret was our neighbor and much more than that.
She was a good friend who always took the time to listen over a cup of coffee and a cookie or two.
Strong, confident, and dedicated to family. May she Rest In Peace.

— Pauline Pottery and Roger

My deepest sympathy to Anne and John and all the family. I know Margaret is greatly missed by all of you and by her many friends. You are in my thoughts and prayers. God bless you.

— Mary McGinness
