Our deepest condolences to you Dorothy and Ralph. We have such good memories of Ken.

Sure sorry we could not be at the funeral, as we had already left for family Christmas in BC.

We told our kids about Ken's passing, and they shared memories of our milk truck driver Ken driving into our yard with his shiny truck & the funny reflections of themselves on the tank.

Dorothy, we hope to touch base with you soon in the New Year.

— **Lowell & Judy Nelson**

I was so saddened by the news of Ken's passing. Though I never met Ken, I got to know him through the many conversations I had with Ralph over the years, since the NOVA days in Brooks. May you find comfort in your memories.
