Elaine and Glenda, Thinking of Biz and her love of music (and cats). You were great sisters and provided so much loving care. I'll be away and unable to attend the memorial but will think of all of you gathering together and sharing fond memories. Anne

Please accept my deepest condolences to Elizabeth's family. I worked for many years right beside Elizabeth at SaskPower. She was a dedicated employee and a dedicated Auntie and sister to her family. Her love of travelling was reflected in her photos from all over the world. She had a fiesty yet kind and generous personality. Every day she taught me some colourful language to start the day! She was an artist and I appreciated her willingness to share her insights and talents. I know her family and friends will miss her deeply. I was lucky to have known her, it made my life better. I was so sad to hear of Elizabeth's passing. I has been about 16 years since we saw each other. I remember Amy and I went to her place for a swim and to see some of the family. I also remember the first time we met we where about 11/12. My aunt brought 5? kids out to Kelowna to our Grandma's 50th anniversary celebration. We all had a great time. I know she will be missed by all.
