Please leave words of love and support for the family.

Messages of Condolence

Hi Deborah, My sisters (Mary, Ann, Margaret, and Nettie), and I, want to tell you how sad we are to hear about your mother’s death. My sisters and I have a zoom visit every Sunday evening. And Ann, my sister in Abbotsford, always checks the obits in the newspapers. And so she was the one that told us about your mothers passing.
Also, we wonder how you are doing, and we hope you are well.

— Helen Rae (nee Wiebe)
