Dear Scotty, You were not only a great brother-in-law and uncle to our family. You were a spectator to our children's activities. You were always offering and willing to help us out, no matter the task. Always fifteen minutes early with a smile on your face. You were a true friend who will always be missed and never forgotten. Scotty was a larger than life character, he was a hugely popular member of 61 (City of Edinburgh) Signal Squadron. There was always fun and laughter when he was around. On behalf of all members of 32 Signal Regiment Donna and wee Scott are remembered in our thoughts and prayers. RIP Scotty. Certa Cito

I had the pleasure of serving with "Fairy" as we called him during his time with 61(City of Edinburgh) Signal Squadron (V). I was his Sergeant Major and eventually his Officer Commanding. A very capable and humorous young man. Always polite, always enjoying his service life and I have nothing but fond memories of this lad. Delighted to hear he was able to build up a loving family in Canada but sad to hear of his grave illness. God Bless you Fairy.
