## Messages of Condolence

To Kathy's cherished family and friends my heart breaks to hear of her passing. She was one of the most beautiful and courageous women I ever knew. Earth lost an angel on earth and heaven gained a new angel. My thoughts and prayers are with you always. Keep her strength alive in all of you I love you.

Katherine fought till the bitter end and never once gave up the fight.

She is a true "hero" and I will always think of my "big" sister as that.

I may have lost my sister but heaven gained a Angel.

Love you always and forever, to the moon and back.

Love your "baby" sister Carolyn

— **Carolyn Kipper**

I miss her
