It is with very heavy hearts that the family of Sheldon Douglas Fladeland announces his sudden passing on February 12, 2023.

Survived by his father Oral Fladeland, brother Derek Fladeland and his family, sister Audrey Fladeland, his daughter Brooklyn, his son Noah and their mother Tricia, Brother in law Chris Butz and his family, mother in law Brenda Butz and Ron, Father in law Glen Butz, his best friend Casey Leib, his partner Kari and her children and his many other friends and family members.

Sheldon was a caregiver, a husband, a father, a companion and a friend to so many. He knew how to make a person feel special and loved, and that in return made him feel special and loved. He was an unique and pure soul and incredibly selfless. Laughter and joy surrounds you when you are near him.

Sheldon was an avid music lover, a hard worker and loved adventure. In his many careers through life he has gained the love of many friends whom he considered family. Sheldon would escape through music and sport. He loved camping in the summers with his children when they were young and golfing or fishing with friends, and hitting up concerts and festivals.

Sheldon was very proud of his family and his children. He will be greatly missed and never forgotten.

The family will be having a celebration of life and will advise once a date has been determined.

Until We Meet Again

We think about you always,

We talk about you still,

you have never been forgotten,

And you never will.

We hold you close within our hearts

And there you will remain,

To walk and guide us through our lives

Until we meet again

I'm so sorry to hear of Sheldon's passing. I went to elementary and high school with him. He was very witty, smart and kind. It's so hard when a childhood friend passes, as it floods our own memories of days that seem not that long ago, but strangely far away at the same time. May his loved ones hold their memories close as they grieve.

Sheldon was my 1st boyfriend in grade 6. He and Mickey had planned a dance for myself and Shaun R to the song "Three times a lady". Oddly, I heard that song today and thought of him and in looking him up, found his obituary.

Life takes you by surprise and you just never know.

Thx for the cherished memory Shel....

XOXO
