We were shocked and saddened to learn of Dawn's death so soon after Don. We remember her as a very special person. Dawn was so unassuming yet she made such a difference in our lives and in all those she touched. She was truly a beautiful soul and made beauty around her in her garden, her embroidery and painting, her baking and in her caring and compassionate nature. Our love and prayers to her family, friends and church family.

To Doug, Wayne, Michelle and your Families. We are so sad for you! Losing both your Mom and Dad so close together must be very difficult. They were a great pair and will be sadly missed.. We have lots of fond memories of them including the day your Dad was introduced to the "Campbell Clan" at large. As I told your Mom the day after his funeral, he was a very brave man to be the first to marry into the family which was a pretty tight knit group at the time. He never flinched! We are sorry we were unable to attend either of the funerals but we were thinking of you all with sincere sympathy on both days. Love. Jack and Heather (Muir) Wallace and family.

Dear Doug, Wayne and Michelle. I am deeply saddened to learn of the passing of your mom, and of your dad last month. They were always so kind and I have many warm memories of them. Your mom and mine remained good, good friends despite separation by distance. I recall they visited my parents a couple years before Mom passed away - I don't think I'd seen such a big smile on Mom before. She didn't stop smiling the entire visit! My sympathies to you and your families in this difficult time.
