Judy,
We couldn't believe to hear that Calvin passed away, and feel so bad that six months have already past before we found out. We have such fond memories of him as a teenager when he used to come to visit us on the farm in Shaunavon. We enjoyed seeing all the pictures he would post on Facebook as a mere window into his life these past few years. This was far too young for him to go and can only imagine what you have been going through. Please know that we shall remember Cal for all the good times and that you and him are in our hearts at this moment. Rest in peace Cal.
Nellie, Nels and Amber Nielson
