Linda was a true leader and doer! Her years of guiding our Sturling league was much appreciated! Besides her leadership she was a great person to be around. Very positive. So sorry for your losses this year.

We are so sorry for your tragic losses this past year. Your mom, Linda was a good friend to us and so many others. We enjoyed curling and playing crib with her, she was always such good company to be with. She gave so much of herself to others, with her volunteering and her always being there to help. Linda will be missed by many.
