Messages of Condolence

Sincerest Condolences to all. I have the fondest memories of Frances as a young girl. She defined family values. Will be thinking of you all in the days to come.

Just heard today of Frances' passing. She was a faithful attendee at the worship services at Qu'Appelle House. We will miss her dearly. She was so proud of the CD made in Indian Head and we had used some of the songs from it. Prayers and blessings to the family +
