Messages of Condolence

I do not know Gord that well but the thing I do know about him is that he was a caring loving and funny guy. He talked to my mom every night. He even talked to my son too. I meet him when he came and lived here in creston. He helped his sister and her husband a lot. He helped his mom too. He is looking down on all of us.

Deepest sympathy to Gord!s Family. I remember how excited his Dad was in choosing Gord's name when he was born. Uncle Norm had had a dream that his newest son would be named after Gordie Howe. Growing up Gord was always known as Gordie. When we reconnected a few years back I still called him Gordie. Over the last few years we had some good chats . Gord was always very knowledgeable and great conversationalist . He was a good and kind hearted soul. He is to be admired in taking care of his mother in the last few years of her life . It was not an easy task but I never heard Gord complain in any of our conversations. He will be missed by all who knew him. Rest in Peace Gordie! Will continue to hold you and your Family in our prayers.
Your Godmother, Loretta & Adolphe Duquette

My deepest sympathy to his family. Gord was quite the card, his warped sense of humor always kept me laughing. He always spoke of his family in a loving matter. God speed to heaven my friend.

My sincere sympathy to the family in the loss of Gord. I only met you on one occasion, however I had the luxury of working alongside Jackie at Strathcona Dental. You must have been so proud of her. A positive energy, a strong work ethic, truly a lovely person. I send both of your beautiful daughters strength for the upcoming days,weeks, months and years of adjusting to a new normal with out their Dad! Hold the fond memories close in your hearts always. ♥
