Lynn Fraser

FEBRUARY 14, 2023

We are deeply saddened to announce the passing of Lynn Fraser on February 14, 2023, just three days short of her 80th birthday. Lynn was born in Calgary, Alberta on February 17, 1943.

Lynn was pre-deceased by her husband, Bud Fraser in 2008 and is survived by her sons, their wives, grandchildren, and great-grandchildren. Also surviving her are her brother and sister and many nieces and nephews. Lynn leaves behind many good friends as well.

Because of Lynn’s love of all animals, donations to the SPCA would be appreciated.

A private family service will be held at a later date.

Messages of Condolence

Lynn.. we became friends through a friend. I will miss your sense of humour, which was as warped as mine is. Great minds think alike!
