## Messages of Condolence

So very sorry to hear the news. I really liked Darin, had not seen him in years but Rick kept me up to date. I was hoping to play golf with him and Rick in the near future.

Hopes and prayers are with the remaining brothers and family. Anything I can do to help, please call

Dale & family,

So sorry to hear about your brother, Darin. So sad that he left this world so young. We know he struggled over the past several years but everyone always hopes that situations will change for the better. We pray for you and your families especially at this difficult time.

We are in BC at the moment and won't be back in the Calgary area for a couple of weeks - please email us back and maybe we can arrange to visit.

Luv and prayers from us all,

Frank, Val, and Steve

Dale, Rick and Jim. I am so sorry to hear of Darin's passing. Since childhood I always liked him and thought he was very friendly. Just like all of you are in your family. My father Jack also sends his deep condolences. Let us know if there is anything we can do.

Dale, Rick and Jim,

We just heard and we were heartbroken by this sad news. Darin was an amazing person, he will never be forgotten. He was a big part of our childhood, He always had a big smile on his face when ever we saw him or when he would take us for rides on his motorcycle. Our prayers and thoughts are with you all.
