I met Gail when I was working at Seaspray Laundromat. What a wonderful caring person. I always looked forward to seeing her come through the doors.

I know that she will be missed by everyone that she had contact with and will be especially missed by her dog Oliver.

I was very saddened to hear of Gayle's passing. I assisted Gayle in selling her previous home and purchasing her new one. We certainly had some fun and interesting situations.

Whenever I saw her, she always had a big smile and lots of stories to tell.

I will miss her. My sympathies to the family.

I met Gayle at Cardiac Rehab in 2001 and she, Val and I hit it off. We had lunch thru the years, always at India House or Spices of Punjab. I saw her a few months ago but we promised to get together and didn't, regretfully. She was a good person and lots of fun. I'll miss her.j
