Have good memories of Louis when we lived in Manchester. We had good fun times as kids, when we lived on McLeod Trail. We used to do pigeon activities together in about the years ' 39-45. Louise disappeared into the oil business and I into construction and we lost tract of each other, and that is too bad.

Sincerely, George Kermack

Sympathy to Louis' immediate and extended family.

I played with Louis on the Pee Wee Buffaloes when he was 14. He was our best player and I have some good memories of him and that year. Our paths have not crossed since.

Sincerely, Bill O'Leary
