

# Lindsay Lauren Gardypie (Eberts- Bailey)

APRIL 4, 2023

Lindsay Lauren Gardypie (Eberts-Bailey) July 18, 1988 - April 4, 2023 Our cherished daughter, mother, sister, niece, and aunt, Lindsay Lauren Gardypie (Eberts - Bailey), passed away unexpectedly on April 4, 2023, at 34 years of age. She will be forever loved and missed by her parents, Julie, and Gary (Tanya), her children, Zane and Sara, siblings, Erica, Mackenzie and Jaxon, her niece, Trinity, her Grandpa Kit (April) and special aunt, Lori. She will also be missed by her large extended family of aunts, uncles, cousins, and friends. She is welcomed to the other side by her treasured Grandma Shiela and Grandma E. Lindsay loved her family and always looked forward to gatherings, big or small. She loved game nights, camping and sitting by a fire, laughing, and telling stories. Lindsay was a knowledge seeker and always wanted to know more. She also was a music lover and enjoyed a variety of genres, especially 90's hip-hop. The bond she shared with her sister, Erica, was unlike any other. They were each other's rock throughout the years and their love for each other will never end. Above all, she loved and adored her children. Zane and Sara were the light of her life and made her so proud. Lindsay wanted nothing more for them than to have a happy, wonderful, and fulfilling life. She will be forever in the hearts of those who knew and loved her.

## Messages of Condolence

I didn't know Lindsay for very long, but the short time we worked together I found her to be a very down to earth and funny person. She was excited about learning new things and taking on new challenges. She was a very quick learner who within her first week had picked up what she needed to do. My sincerest condolences to her family!

I had known Lindsay for most of my life. While we drifted in and out of contact with each other over the years, we always found our way back to each other. Its hard to believe we won't be crotchety old ladies together. I loved her with all my heart and I will miss her always.

Her laugh though. Or her unique mannerisms. The way you could make someone laugh when they were down was like no other. It's my favourite quality of Linds. So wholesome. I'm going to miss you so much. My longest lasting friendship.

I pray for your babies for your sister ( she referred to Erica as the peanut butter to her jelly ) your mom n dad and all who loved her.

I pray God surrounds you all with his warm embrace.

Her soul far exceeds this time space.

I love you Lindsay

Lindsay you are one of the most remarkable and beautiful souls I have ever had the absolute pleasure of being best friends with. You were a very bright place in my small world. I met you at my lowest and I wanted to meet you because you were teaching yourself German. I just know you were so happy the day you sent those pics of your new job . You did a lot to help me feel so much more than I ever knew I was. You were genuine, so kind , sweet ,loyal,honest and you would never let anyone look at me the wrong way. I am not sure how to ever say goodbye so I will always just keep talking to you as it's the one thing that drove you nuts but it also made you laugh. I love you and miss our car rap adventures with me and Zane singing in the back . You always have my heart and I will always help your kiddos with anything. I miss you Lindsay. I would do anything to hug you again.
