Sheila was my dearest friend for almost 40 years and my Sister Linda's before me. She was the best example of a true Christian I've ever known. I will miss her dearly. My condolences to her family.

Sheila and I shared the title of “grandma “ and the joy that goes with loving our grandchildren. But I got more than that…I got a wonderful friend. I so appreciated her serene approach to life. My sincere condolences to the family.

Aunt Sheila was a lot of fun. I remember as a child going fishing in the ocean with her and Uncle Frank and digging for clams. Our children enjoyed our visit to the farm drinking Aunt Sheila’s smoothies, chasing emus and riding their scooters down the shady lane in front of their home.

So sad to hear about Aunt Sheila. I have many great memories of her. I spent my summer of grade 10 working on their berry farm and so enjoyed spending this time with her. She was the only one that ever called me Jenny and I will always cherish her and the fun times!

Heaven got another wonderful angel when Sheila left us. Alvin was always so grateful for her help with his boys when they lived there. She always said Alvin was like her kid brother, and was so happy he found me. We're so very sad she's gone. We are so sorry for your loss Chris and Troy
