

Heather Marlene Gauthier

SEPTEMBER 29, 2022

Gauthier (Allen), Heather Marlene

February 14, 1995 - September 29, 2022

It is with great sadness that we announce the passing of our mother at the Lacombe Hospital on Thursday, September 29, 2022 at the age of

67. Heather passed away surrounded by her family and friends.

She was one of a kind, caring, loving, selfless, sweet and will be missed by everyone whose path she's crossed. She loved spending time with family and friends, many of whom became a part of her family as well.

Heather is survived by her four sons, Michael Bebbington, John Bebbington, Steven Bebbington and Jeffrey Bebbington; and her granddaughter, Elizabeth; and her brother, Doug Allen.

A Celebration of Life will be held on Friday, October 21, 2022 from 2:00 PM - 6:00 PM at the Holiday Inn Express, 6433 Orr Drive, Red Deer, Alberta

Messages of Condolence

On behalf of the DT Class of '73, I wanted to pass on our condolences to Heather's family and friends. Our experience of Heather during her school days was exactly the same - a kind heart, for sure. We will be celebrating our 50th reunion next year and I believe she would have made the effort to attend.

We keep a memorial list of all the 'kids' from Fraserview and those that attended David Thompson high school. Heather will now be added so that her many schoolmates will be able to become aware of her passing. May the days ahead be kind to you all as you learn to live without her presence.

I wish I had heard sooner about my cousin Heather. I missed her Christmas card with all my Mother's side of the family goings on.

She had mentioned last Christmas season about her cancer & when I didn't hear from her this Holiday Season I wondered...her cards were filled with family goings on & I looked forward every year to receiving them.

I remember my cousin as a fun loving , happy girl that I only had a few chances of visiting because of the vast geography of our country. She & her brother Doug made a lasting impression on me of a wonderful family that I was proud to be a part of.

God Bless you Heather.
