To Adele's Family and Friends,

This world has lost an Earth Angel, but she will be a Bright and Shining Star now.

She was a wonderful client of mine, and we shared many laughs together. I loved her no nonsense dry sense of wit. She was always a light in my day.

Adele left her mark on everyone who knew her.

I wish her and her family peace

Bob, I was so sorry about Adele's passing. I got to know Adele when she worked for anime. We became friends and I always loved Adele's wit, honesty, and laugh. I could always depend on her to get the deal done, she had the greatest work ethic, but above all was a wonderful person. Sincerest sympathy, Donna Mccallum

Adele was my grandma and I loved her very much. I knew I could always count on her. I spent lots of time with her because I was the second youngest and I couldn't do all the things that the big kids got to do. She was the best grandma ever. I just don't understand why God had to take her from our lives. I was always with her and I still am even though she is in heaven.
