Kathy, Tim Walter and families: Our condolences on the passing of your Mother and grandmother. As you know, Fred & Christel (the name we knew her by) were good friends of my parents and often interacted with each other and when my Dad and Fred passed away, my Mom did stay in regular contact with your Mom.

Occasionally when we passed by the house, we would make an unexpected stop and make a point of visiting with your Mom. We sent our annual Christmas letter to your Mom and I did speak with her both when Kathy & she lived in Palliser and when both moved back to Lakeview. Last summer, we stopped by our old home and visited with Litzel and had a good conversation about many things including your Mom. Thank you for having shared your Dad & Mom with our family. They are missed. Our sympathies to all Hans, Dell & Conrad Tiedemann
