

Joyce Marie Goings

JULY 28, 2011

Joyce Marie Goings passed away on July 28, 2011 in Red Deer, Alberta. She is cherished in the hearts and minds of her husband, Richard Goings, her children, Michelle and Kelly White, JoyMarie and Lyle Campbell, and Shawn and Heather Goings, and her nine grandchildren, Sebastian, Danielle, Durrell, Jaida, Marik,

Magnus, Derek, William, and Raylee, as well as her parents Alfred and Hannah Matson, and siblings, Dennis and Rachel Matson, Doris and Art Fleming, Wayne and Elizabeth Matson, Cindy and Bob McColm, Myron Matson, Collette Matson, and Jenine Matson.

Joyce worked for many years as a Registered Nurse in Sundre, Alberta, but she cannot be defined so easily. She lived to help other people and to care for her family, forsaking her own dreams along the way in order to be what her family needed. She was a mother, a wife, a grandmother, a sister, a daughter, a teacher, a student, an author, and above all, our best friend. We will forever admire her strength and courage.

One of Joyce's greatest wishes was for STARS air ambulance to receive the support and funding it needs in order to save the lives of those she loved so well. If you would like to honor her memory through a monetary donation, her wish would be for it to be given to STARS. Information on donating can be found at www.stars.ca

.

“You are welcome to leave a message of condolence on this website.”

Messages of Condolence

We will see you all tomorrow. We love you and are so sorry you have to be going through this difficult journey. We have been there ourselves, so it takes us back to some pretty tough days and emotions. But almost seven years later, we can honestly say "God is good....all the time" even though we still deeply miss our spouse and father....you will miss your soul mate and mom. Just know we are praying for you and also know that the sun will shine again in your lives....takes awhile, but you will actually laugh again and make new memories.....that's what Joyce would want!!! Love Janis/Floyd
