Messages of Condolence

For many years I always looked forward to the treatments by Lise. Her technique was amazing for discomforts and pains, and her continuing advice was so helpful and so welcome. I told everyone I talked to about the wonderful therapy given by Lise.

Lise was the only person who was able to help me after my car accident. She was a great healer and will always hold a special place in my heart! Thank you Lise!!

— Jaclyn Robertson

Lise had the most healing touch and such a kind heart, always thinking of others before herself. My first treatment with Lise changed my life, relieved me of pain and started my body and my brain on a journey of recovery. Lise was an amazing woman and I am grateful to have known her as a person and a healer. May she rest in peace. God bless her family with serenity and I thank them for continuing her work.
