## Messages of Condolence

Such a sad loss. I will always remember Aunty Millie as being such a happy & jolly lady, singing away and dancing, always with a smile on her face. Rest in peace.

Thinking about you all and sending much love.

Our fondest memories of this fun-loving Auntie came with her natural ability to create warmth and humour at the least unexpected times; her continual search for a 'cute man to support her needs' endeared her to all who had the pleasure of her company. Our lives have been enriched during the times we have spent together. A matriarch of extraordinary strength of character, Auntie Millie will be sorely missed.

Our love and thoughts go out to you all at the loss of this great lady. Requiescat in Pace

God bless, Auntie Millie, we will always remember you with great fondness and a big smile

Love to all the family

We were very sad to hear about the loss of Auntie Millie. She was a wonderful, happy, funny lady and we will miss her dearly. It is a shame that Steph will not be able to meet her when she goes to Canada next year. We have had lots of wonderful memories and laughs. One particular time was when Auntie Millie had come over and we all went for a meal at a pub in Maidstone, she had ordered a sausage meal which came in a big yorkshire pudding. When the meal came Auntie Millie asked where was the yorkshire pudding, and was looking all over the plate for it not actually realising that everything was inside the yorkshire pudding. We will never forget her and our thoughts are with all the family.
