Messages of Condolence

Gladys, you and your family are in our thoughts now as you prepare your goodbyes for Hank and we will hold you in our thoughts in the days ahead.

— **Jim and Kathy**

My thoughts and prays are with you and you family. I have many fond memories of Hank while growing up, he was a great neighbor and always had an extra car for those in need!

— **Bart Dorscheid and Family**

Our thoughts and prayers go out to Aunt Gladys and family. We will always remember Uncle Tim and the good times we had while visiting and the huge heart he had for everyone. We will miss him.

Gloria, Vern, Crystal, Rick, Lindsay and Keri

— **Crystal Phillips**

You and your family have been on my mind and I have been thinking of you and all of your family. I know that the passing away is hard to bear but I also know of the blessing of the end of suffering and the peace of knowing that Uncle Henry has gone to a better place and the suffering is passed.

This, of course, takes me to the sweet and sad memories of the passing of my loving father who is also at rest.

— **Arlene Bourassa (grabinsky)**
