

Alicia Janette Grad

MARCH 13, 2023

Alicia Janette Grad

December, 1983 - March 13, 2023

It is with tremendous sadness that we announce the sudden passing of Alicia on March 13, 2023. She will be forever loved and missed by her parents, Mike & Laurel Grad, sisters; Kelsey Cohen (Mathew) and Jess Bereti (Taylor), and her nephews of whom she was so proud, Hayden & Beckett Cohen. Alicia will also be missed by her large extended family of aunts, uncles, and cousins, and her numerous friends near and far. She always looked forward to family gatherings, big or small. Alicia loved to travel, with two of her favorite trips being Australia and more recently, Ireland & Scotland. Alicia loved curling, crafting, trivia, and of course, "The Office." She always enjoyed watching her nephews' sporting activities, rarely missing a game. Alicia had a way of making everyone around her feel welcome - she was generous, kind, and compassionate. She was dedicated to her family, friends, and her work. She did not hesitate to offer her time and help, even if it wasn't asked of her.

Alicia had a heart of gold and a smile that could instantly brighten any room. The world has lost a special person. Our hearts are broken. We will miss you.

A celebration of Alicia's life will take place at a later date.

Donations in Alicia's honor can be made to Kinsmen Telemiracle.

It's rare to have a cousin who is 9 years older than you take the time out of their life to not only get to know you but to help shape you into a good person. But that's just who Alicia was.

Alicia was an incredibly kind, selfless, outgoing, funny, and thoughtful person.

She had so many friends and was quite the social butterfly. She was always up for anything, and open to try new things and experiences. She had a zest for travel and a knack for photography. She was a hell of a trivia player and had an incredible amount of music, pop culture, and historical knowledge.

She was an amazing cousin, and always made time for her family. She loved baby snuggles and her face would light up when she held newborns. Something she shared with our grandma. She loved her nephews so much, and would do anything for them. And she would always be there and show up for her friends and family.

I can't make sense of what has happened to her. I don't know that it will ever make sense. Sometimes bad stuff happens to good people, and you can't find anyone better than Alicia.

Rest in peace my dear cousin. You are so loved, and will be so missed.

My thoughts go out to my amazing aunt and uncle, cousins, and family who are all hurting at this time.

— Melissa Baron

My heart breaks for my friends Kelsey and Mathew and boys and the rest of the Grad family. You are all in my thoughts and prayers.

— **Morgan Karhut**

it was a shock when Alicia left this world. She was an active , intuitive and upbeat person who could make one's day with her beautiful smile , her positive attitude and great ideas. At an early age she showed confidence and independence with social graces beyond her years~ once when I happened to be at the Glenelm library making Copies and she came leading a group of four year olds coming up the stairs from a story time class. I was surprised to see her there and asked her if her Mum was there. She said "no Auntie Peg , I am here for a story reading class. I would like to introduce you to (and she told me the names of five of her friends) then she told her friends that I was her mother's sister . " Her ready smile , social graces, ability to find the right thing to say to help all people feel welcome and included~ was second to none. " Auntie Peg. " Uncle Bryan and all Dovell Cousins.
