Our family is so very sorry to hear of Lilas passing. We have fond memories of her. She and Casey were dear friends to us. I remember when the kids were little and Kerry was in the field for my April birthday, Lila didnt want my special day to go unnoticed so she made a cake and she and Casey delivered it and we had a little party! My clothesline is due to Casey and Lila getting busy and showing up with cement and line to get me a clothesline up in my backyard. Our deepest condolences to the family!
