## Messages of Condolence

Kim and family - our sincere sympathy on the passing of your mom - I enjoyed our chat together at Jim and Marilyn's anniversary

It had been several years, but she and I could at least smile and enjoy some warm conversation.

Take care - we are thinking of you.

I'm so sorry to hear of Laura's passing. I sat beside her in the Unit Clerk class many years ago and we became friends. I will always remember how she would knit many things and her love of dogs. I sort of lost track of her when she moved from Coventry Hills but thought of her a lot. My condolences to all the family. Rest in peace my friend.

To the Greyson family,

My sincere condolences in the loss of such a wonderful lady. It is with deep regret that I am not able to make the Celebration of Life today, but know that I am sending you all love and light as you celebrate the beautiful life of your mom, grandma, and great-grandma.

Much love from the bottom of my heart.

Dear Kim. I am sorry to hear of the passing of your Mom. I tried to call her many times but could not find her phone number. I am your Auntie, the sister of your father Doug Powell. Please call me as I would love to see you and Randy when I go to Calgary. We still have my Moms house in Hillhurst.

My phone number is 714 969-6931. Our thoughts and prayers go with you.

Love Auntie Margaret

I know it's been 8 years but I wanted to send my condolences. I'm not sure if your family remembers me or not but I am family as well. Skuli and Marion Johnson were my parents and they have both passed as well I was thinking about Ron today knowing it was the 46th Anniversary of his passing. I had a great time with him during the Summer of 1979 and I never forgot him. We were both the same age. He introduced me to music I still listen to today. Laura Mae welcomed me into your home during my stay and I never forgot her generosity as well. I was surprised to she she had passes as well. Anyways I hope your family is doing well. David Johnson
