## Messages of Condolence

Dear Groeneveld Family,

My heartfelt condolences for the sudden loss of Marcia. She was one of my first friends when we moved to Langley at LCS in 1996, and I have many great memories of her in different seasons of our lives. I was so happy to reconnect with her regularly when she would come into Langley Mission Thrift Store regularly with her little Trixie along for the ride. We always seemed to be able to find each other throughout life, and I am so shocked to hear of her passing. There are no words to quench the sorrow you are experiencing; for this we have Jesus. Sincere prayers to you all as you remember Marcia.

Love

Jonelle
