## Messages of Condolence

What a woman-she was the hostess with the mostest and nobody could throw a party like Virginia. She was such a hardworking person and a great community worker. Andrew and Virginia raised such a wonderful family and they were so proud of their daughter,sons,daughter-in-laws and son-in-law and all their grandchildren and felt they had been so blessed even though there were many health issues and struggles the last 45 years-we all admired their strength and courage and perserverence and wished we could be more like them. Ken and I loved playing cards ,camping,travelling to Mexico,and just having so many fun times together with them. It is always very difficult to say good-bye to a very dear long time friend and we will miss her very much. Our thoughts are with her family at this sad time-love you all. Ken and Marlene
