Messages of Condolence

I remember playing in the playground at school in Marwayne. Michael and Maury were sitting on the front step of their house next door. Michael was talking to his son and they were laughing and holding each other. I thought what a loving parent and what a kind man. I was sorry when the family left Marwayne. I never had him as a teacher but his kindness and fatherhood I remember well. I was about 9 when this happened. I hope this remembrance can ease your family during the sweet sorrow of parting.

I was fortunate to have been one of his students in Wetaskiwin. He was a very kind man. My deepest condolences to his family on his passing.

I noticed that Michael was married to Doris Wilson and I was wondering if her parents were Eddy and Maude Wilson as they were very good friends of my parents and they had a daughter named Doris. Who I lost track of years ago. Please advise me if this is the same Doris. Thanks

I remember Mr. Gudzowaty as a very fine man, and teacher. As a child, the Gudzowaty family lived close by to me, and Kari Lynn and I played together. I send my condolences to you all. Your Dad was one of the good guys!
