Loretta was a classmate of mine in Mallaig. She was a beautiful smiling sweetheart, always ready to laugh. She was respected by everyone.

My classmates and I will miss her.

Karen and I send our condolences to Loretta's family with her passing. I will remember her as a person with a great laugh and smile. When the Scale family moved to Mallaig they had a goat in the back yard which loved tobacco. We got to know Loretta by feeding her goat with cigarette butts we were able to find. Wishing the family peace and comfort in the coming days.

Our thoughts are with Loretta's family in this difficult time. Lori was a terrific lady, we always enjoyed our visits with her and Jack at the family get togethers. She will be missed.
