Messages of Condolence

Dear Wendy, Darwin and family,
We are so saddened to hear of your moms death. What a sorrow filled time for you all. May warm memories, of special times spent together, bring you comfort. We will always remember the great visits we would have with both your mom and dad as we watched the kids playing outside on "Dixon cres". They were both awesome people....hardworking, kind, and so proud of those grandkids! May God bless you as you mourn your loss.You are in our thoughts and prayers.
