Messages of Condolence

I would have met Bill almost 30 years ago now. One of my fondest memories was when I was taking a walk down the country roads, back in l986. Bill came driving up behind me and pulled quickly over to the side of the road. He said, Debbie, has your car broke down and do you need a ride. I said no Bill, I was just going for a walk. He looked at me aghast and said, (On purpose?). Dear Bill. My condolences to Ada and the entire Hale family. What a wonderful husband, father, and grandfather.

Deb James.

Ada and family,

We would just like to send our condolences on the passing of Bill. From the time I was very young and still to this day, the corner of the Symons Valley road (where BJ Gallelli lives today), our family has always referred to it as " Bill Hales corner." We will think of him often when we use that corner. We are sorry for your loss.

— Cec and Betty Lynn

Our condolences go out to all the Hale family.
Our thoughts our with you at this time.
